Our Quality Policy

Interbuild Far East (HK) Ltd. is committed to providing exceptional services and product deliveries to our clients. We believe that quality is a basic business principle, and that quality management is an integral part of every project/delivery we do.

Our goals are to:

- ✓ Meet customer requirements and strive to exceed their expectations for the mutual benefit of our customers, suppliers, employees and shareholders
- ✓ Conduct our business with integrity
- ✓ Provide excellence in our product offer, product quality and business administration
- ✓ Adhere to our Code of Conduct, Environment and Forestry Policy
- ✓ Foster a culture in which all employees share this commitment

We will:

- ✓ Take a systematic approach to quality management that is designed to ensure compliance with requirements and to achieve continual improvement
- ✓ Involve suppliers and employees at all levels of the organization in quality management
- ✓ Provide resources and training to meet our quality commitments
- ✓ Set objectives for quality monitoring and continual improvements
- ✓ Review performance regularly, evaluate / react on performance information and communicate performance to our customers where necessary
- ✓ Ensure that this policy remains relevant
